

Holy Cross petition shrine.

The shrine of the Holy Cross was created to house the petitions of the faithful in the base of the reliquary. The True Cross relic was authenticated by Cardinal Peter Canisius Van Lierde, it was in the custody of St. Anthony's Relic Chapel in Troy Hill and subsequently gifted to the ICHRusa.

The reliquary stands 16" tall and was the centerpiece of the Relics of the Passion Tour throughout the United States.

Petitions that we receive will be transferred to a computer CD and placed within the base of the reliquary and remain there for one calendar year. Religious and secular members of the ICHRusa will be asked to pray on a daily basis for the intentions of the True Cross.

His Eminence William Cardinal Keeler
